CONVENTION ISSUE

2018 ANCHOR INTERNATIONAL SUMMIT

*This year's convention was a huge success!
We had 68 Anchors attend as well as 20 Anchor
Advisors. All of the attendees attended workshops,
participated in the Cultural Exchange, service projects, meetings,
and enjoyed the beautiful Nashville surrounds at the Gaylord Opryland
Center. The experience led to meeting new Anchors and Pilots, learning
leadership skills and allowing Anchors to bring new ideas back with them
to share with their Clubs.*

Anchors and Pilots joined hands to help pack meals for at-risk children in the Nashville area. A whopping 30,000 meals were packaged!

Pilot International collaborated with No Child Hungry, the feeding program of My Neighbor's Children.

This is such a great way for Anchors to work alongside Pilots for a wonderful and meaningful service project.

Anchors attended meetings and learned a great deal about each other during the Cultural Exchange. This tradition gives the Anchors the opportunity to share interesting facts about their District's culture. This is an exciting time to learn about other areas of the country and the world.
